

SAFETY ELEARNING PLATFORM

FREQUENTLY ASKED QUESTIONS

What is the purpose of the Safety eLearning Platform?

The Safety Platform is a practical eLearning toolkit that provides you with the tools you need to operate safely in the workplace. The courses cover a number of topics including induction, safety risk, environment and health. The platform is grounded in our core value of protecting the safety, health, mental wellbeing and security of our employees and those who work on our behalf.

How is the safety eLearning platform structured?

The safety platform is structured around the courses that are required in order to operate safely within each position. You will find courses separated into different categories, and many of these courses are followed by a short assessment to ensure competency.

What can I expect when I enter the Safety eLearning platform?

Courses will be allocated to you, according to the requirements for each position. Most of these courses involve watching a video about a specific topic, followed by a short assessment to ensure that you have understood the course topic. You will need to watch the entire video and pass the assessment before the course is deemed complete.

Will the information be readily available?

All content will be available on demand so you can access the tools as and when you need to do so. In order to view all the courses allocated to you, click on the “Home” tab at the top of the screen.

What is available on this platform?

- Induction – This provides a general induction course for Mondi South Africa.
- Plant Induction – This provides the courses for each plant specifically.
- Safety Risk – This contains all courses related to safety risk.
- Environment – This category will assist with environmental awareness and environmental responsibility as a whole.
- Specific – This topic contains topic-specific courses that are required for certain areas of Mondi South Africa.
- COVID19 – This provides courses pertaining to the COVID19 pandemic.
- Corporate Governance – This contains courses to create awareness regarding corporate governance and accountability within Mondi South Africa.

What role is my Line Manager supposed to play?

Certain courses will be allocated to you according to the requirements of your position or business unit.

Is it mandatory to complete all the courses?

It is not mandatory for you to complete all the courses on the platform. It is, however, mandatory for you to complete all the courses that have been allocated to you. Be assured that the People Development Team and Safety Team will strive to provide platforms to assist you with this journey.

Must I do the training on my own time or Mondi time?

Good practice is to discuss this with your line manager so that you are aligned on your development goals.

Where do I register?

You will receive communication on how to log on to the Safety eLearning portal. Register on the platform to get access to all the content.

Who can I contact if I have a question about the Safety eLearning platform?

People Development or Safety Teams.
